 - where the public transport fare would not be the cheapest option.
10. When it is necessary to travel by train, the cheapest standard class ticket should be purchased.
11. If a Member chooses to use his/her car for any journey for which he/she is only entitled to public transport rates, he/she may do so and claim the appropriate public transport rate.

Any resulting loss of 'no claims' bonus will not be recoverable from the Council.
