Press Release from Cllr. Mike Thomas – Town Mayor of Helston

Begins....

Last night I attended a very positive, informal meeting between Helston Town Council and the Directorate of the Helston Business Improvement Partnership. At that meeting all concerns between the groups were addressed and it was fully agreed that the Council and the HBIP will work together as fellow volunteers for the benefit of the town. I made it absolutely clear that I fully support the work of the various project groups that are so enthusiastic about Helston. Wendy Radford-Gaby and Andy Perry (co-Chairs of the HBIP) and myself agreed that the meeting was a success and we will continue to explore ways in which the business leaders and the town councillors can come together again to plan for Helston's future.
