1.0 Introduction

1.1 This document forms the Council's Community Engagement Strategy. It sets out:

- The role of community engagement and its importance;
- How Helston Town Council engages the wider community and identifies the needs and aspirations of the community;
- How the Council can improve community engagement.

1.2 The objectives of this strategy are to:

- Encourage effective local community engagement;
- Ensure that embedded throughout the Council there is a clear understanding of the need to engage with communities about decisions that affect them;
- Enable the aspirations/comments/suggestions etc obtained from community engagement to have an impact on decision-making and the way in which services are being delivered;
- Identify how the Council can enhance its profile by improving engagement with the wider community (with specific reference to hard to reach groups).

2.0 The Council's Commitment to Community Engagement

2.1 Helston Town Council is committed to providing a democratic representational voice for the people of Helston and will engage with the local community in a proactive and meaningful way.

3.0 Community Engagement – An Overview

3.1 Community engagement is concerned with giving local people a voice and involving them in decisions which affect them and their community. This may include individuals, voluntary and community organisations as well as other public sector bodies.

3.2 Community engagement provides an opportunity for local people to talk to the Council about their aspirations and/or needs in their community and neighbourhood. It allows the Council to consult with and inform people about what services it provides, how its priorities and policies are determined and how well it is performing.

3.3 Consultation forms an integral part of community engagement. Without Consultation, addressing a particular need is a hit or miss affair as there is no way of establishing what is required to address the problem. There are a wide range of consultation methods such as surveys, questionnaires and neighbourhood meetings.
