1. PURPOSE OF A PUBLICATION SCHEME - THE LEGAL REQUIREMENTS

1.1 Section 19 of the Freedom of Information Act 2000 states:

i. It shall be the duty of every Public Authority:

- a. to adopt and maintain a scheme which relates to the publication of information by the Authority and is approved by the Commissioner (in this Act referred to as a "publication scheme");
- b. to publish information in accordance with its publication scheme; and
- c. from time to time to review its publication scheme.

ii. A publication scheme must:

- a. specify classes of information that the Public Authority publishes or intends to publish;
- b. specify the manner in which information of each class is, or is intended to be published, and
- c. specify whether the material is, or is intended to be, available to the public free of charge or on payment.

iii. In adopting or reviewing a publication scheme, a Public Authority shall have regard to the public interest:

- a. in allowing public access to information held by the Authority, and
- b. in the publication of reasons for decisions made by the Authority.

2. CLASSES TO WHICH THE SCHEME DOES NOT APPLY

- 2.1 Personnel records relating to appraisals, employee specific salary details, disciplinary records, sickness records and the like by virtue of being personal data under the Data Protection Act 2018 and the Local Government & Housing Act 1989.
- 2.2 All commercially sensitive information relating to quotations and tenders, loan documentation and insurance policies. With regard to quotations and tenders, this information is treated as confidential to ensure that the whole tender process is fair i.e. if tender information is released to a third party prior to the end of the tender period those who initially submitted tenders could be undercut and/or unfairly disadvantaged.
- 2.3 Commercially sensitive information on land and property dealings - because the Council's bargaining position in any negotiations may be prejudiced and such issues are covered by the Public Bodies (Admissions to Meetings) Act 1960 and the Local Authorities (Executive Arrangements) (Meetings and Access to Information) (England) Regulations 2012 and the Local Government Act 1972.
- 2.4 In respect of the categories of exemption in paragraphs 4.1 to 4.3, the Council is entitled under the statutes mentioned, to exclude the press and public from meetings when such items are under discussion.
- 2.5 Information that is in draft form.
- 2.6 Information that is no longer readily available as it is contained in files that have been placed in archive storage, or is difficult to access for similar reasons.

3. MANNER IN WHICH THE INFORMATION WILL BE PUBLISHED

3.1 The majority of the information available for publication is available for downloading from the Town Council website – www.helston-tc.gov.uk – we encourage electors wishing to obtain information to use this method in the first instance. Alternatively, those on the website can be emailed to you free of charge.

3.2 You may request any of the information that is available to the public, in hard copy on personal request or in writing, from the Council's principal offices as indicated below in paragraph 6.

4. PAYMENT FOR INFORMATION

4.1 Wherever practicable the Council will make available information under this scheme free of charge.

4.2 However, the Council will exercise their discretion to impose a nominal payment in respect of any photocopying costs involved should the applicant require copies of any relevant information.
