PROGRAMME OF WALKS - January - April 2017

All walks are circular, approximately 5 miles in length, of moderate pace and require sturdy footwear; there can be rough ground and stiles. Please bring a drink, a snack, small first aid kit and secateurs. Dogs are welcome on a lead at the back on most walks. Please ensure you are fit enough to walk 5 or 6 miles - all walkers walk at their own risk. The leader can cancel the walk at any time if they consider the weather and/or ground conditions are unsuitable

VISITORS AND NEW WALKERS ARE WELCOME ON ALL OUR WALKS.
